# Our accessories

Find the match for your dispenser.

**BRITA products don't stop with water dispensers and filters. We offer a comprehensive range of accessories to cover all your drinking water needs from dispensing to serving to cleaning.**

Our premium quality bottles are easily refilled via our dispensers. They're customisable, too. Full or empty, they can be stored in crates specially designed for the various bottle types. As hygiene is a top priority, we supply everything you need to sanitise your BRITA dispenser and clean BRITA bottles. We offer a choice of bottle washing trays, compatible with professional and domestic dishwashers.

Our best-practice tip? We recommend cleaning your BRITA dispenser daily for extra peace of mind.

**Looking for ways to reduce your carbon footprint?**

Replacing plastic bottles with long-lasting BRITA bottles and corresponding accessories is an easy way to make a difference.

## Are you looking for ways to shrink your carbon footprint?

Replacing plastic bottles with long-lasting BRITA bottles and corresponding accessories is an easy way to make a difference.

# Customisable BRITA bottles

Make your BRITA bottle your very own.

Imagine. A high-quality bottle on a meeting or restaurant table, bearing your company name or logo. What better way to enhance your image or raise awareness of a particular message?

Our glass designer bottles come in a variety of sizes and styles. So, you'll be sure of finding the right option for your organisation's needs and culture. And reusable bottles are a super way to communicate your commitment to the

environment. Eliminating single-use plastic bottles reduces carbon emissions and makes a statement. Now, more than ever, that's something your employees, guests and clients will recognise and appreciate.

Of course, giving up pre-bottled drinks doesn't mean giving up refreshment! Our dispensers simply and efficiently chill water on demand.
